TRIP

SUNDAY 19.5.2019 - SATURDAY 1.6.2019 - 12 NIGHTS

“Kamana” is a 28m, luxury, Motorsail liveaboard yacht for surfing and diving cruises in the most thrilling destinations around the Maldives. Guests have the unforgettable opportunity to explore crystal clear waters. Surf daily up to three Sessions and get entertained with whale sharks, mantas, tuna, hammerheads and the colorful gardens of the reefs.

Take advantage of a wealth of unrivaled services and amenities at this cruise with crew of six to ensure the comfort and satisfaction of up to twelve guests. For the comfort and convenience of the guests, the Boat offers daily housekeeping, printer, Wi-Fi in public areas, airport transfer and restaurant. Kamana has superior rooms equipped with closet, port window and AC temperature control. Guests can also enjoy the large partially enclosed sun deck with chaise lounges and deck chairs. The onboard menu features a variety of local and international cuisine. Soft drinks, tea, coffee and iced tea are complimentary. Beer, spirits and wine are available at extra cost.

The cruise’s speed dinghy boat will take you for surfing, snorkeling, diving, fishing or to go on land for island visits. Ideal adventures to enjoy the best the Maldives have to offer. Snorkeling gear and fishing gear is also included but it is just basic, we recommend better to bring your own.

We try to offer you the best surfing experience possible and explore the famous spots in the North- and South Male Atolls as well as the lesser known and lesser crowded spots in the Central Atolls, fuel extra cost is already included. There are great breaks for all levels and we try to find you the best spots with ideally the least crowd depending on conditions and level of the group.

For a good experience and more surfing time we will have a maximum of 10 guests and 2 guiding surfers on board.
